After School Extracurricular Activities at Nativity School

Nativity School offers many extracurricular activities for its students, many of which take place in the school directly after classes. Due to the close connection between the school and the Early Learning Center, it is possible for our children to participate in some of those activities. The activities range from intramural sports to music lessons to scouting programs. A complete listing of after school programs available to your children is available on the school web site under extra-curricular activities.
